**UINTA BASIN-UTAH EMISSION INVENTORY DATA:** Region 8 is prepared to send each oil and gas operator in the Uinta Basin (Utah) an email as a follow-up to a webinar Region 8 delivered in mid-December 2016, in which the Region requested the operators address/clarify discrepancies in the 2014 emissions inventory data they submitted in 2016. The 30 individual emails would contain operator-specific questions pertaining to that operator's emissions inventory data and request a response by late February/early March 2017.

Hi Martin and Carl – As I told you earlier today, Suzanne left me a voicemail requesting a hot topic on the Uinta Basin EI for Deb to use in her weekly update to the Administrator, as well as for her Monday call. It is due to Suzanne/Deb by COB, Thursday. I have drafted a summary below (based on Cindy B's email) for your review. Please let me know if you have any edits, and if one of you should send it upstairs. Thanks.
